

AUGUST 17, 2018

DOWN THE SHORE TOUR WITH BEACH CLEANUP

Presented by CMCMUA Staff

Join us for a tour of the Cape May Wastewater Treatment Facility in Cape May, New Jersey. There will be a Q&A with CMCMUA staff members following the tour. After a lunch break, we will head to Sunset Beach for a beach cleanup. Finally, we will hang out on Sunset Beach to enjoy an afternoon of sun, waves and beach games! The Down the Shore Tour is 'a la carte' – pick the events that fit your schedule. Car pools can be arranged if necessary! This event is hosted jointly by NJWEA, NJ-AWWA, PA-AWWA, and PWEA.
